

“Got Green?®” Foam Hand Soap

Manufacturer Safety Data Sheet

Section 1: Identification

Product Identifier: Foaming Hand Soap Manufacturer Information:

“Got Green?” LLC 114 Conestoga Drive, Reading PA 19608

Phone: (610)-301-4324 Emergency Number: +1 610-301-4324

Recommended use of the chemical: Foam Soap. Used to clean and wash hands removing all impurities.

(When used as instructed, no detectable fragrance remains on the skin.)

Section 2: Hazard Identification

Hazard Classification: Non-hazardous Signal word: None Hazard Statement: May irritate eye tissue. No Pictograms Apply.

- Precautionary statements
- Flush with plenty of water for 15 minutes- If irritation persists get medical attention
- Skin Contact: Rinse with water
- Inhalation: Remove to fresh air
- Ingestion: Drink large amounts of water

Description of any hazards not otherwise classified Not Applicable, Non-Toxic

Section 3: Composition/Information on Ingredients

Substances

- Chemical name: Soap, Coconut oil potassium soap
- Common name and synonyms: Castile Soap, Coconut oil potassium soap
- Chemical Abstracts Service (CAS) number: 61789-31-9 Coconut oil potassium soap
- Impurities and stabilizing additives, which are themselves classified and which contribute to the classification of the chemical Not Applicable
- Ingredient percentages are a Trade Secret. Key Ingredient: Organic Thymol Essential Oil

Contents are as read on the box label. Base Ingredients: Saponified organic coconut oil, organic plant oil blend, vegetable glycerin, natural essential oil blend, organic rosemary extract and organic aloe vera.

The Got Green soap is vegan, gluten-free and allergy friendly. Individuals with nut allergies can safely use this soap (exempt).

Section 4: First Aid Measures

- Eye Contact: Flush with plenty of water for 15 minutes- If irritation persists get medical attention
- Skin Contact: Rinse with water
- Inhalation: Remove to fresh air

Ingestion: Drink large amounts of water

Section 5 : Firefighting Measures

- Flammability Classification: Non-Flammable
- Flash Point (F): Not Applicable
- Extinguishing Medium: This is a water based product
- Unusual Fire and Explosion Hazards: Not Applicable
- Fire Fighting Procedures: Not Applicable

Section 6: Accidental Release Measures

Personal Precautions:

- Flush with plenty of water for 15 minutes- If irritation persists get medical attention
- Skin Contact: Rinse with water
- Inhalation: Remove to fresh air
- Ingestion: Drink large amounts of water

Emergency procedures

- Instructions for evacuations: None
- Consulting experts: None
- Protective clothing: None

- Methods and materials used for containment: None
- Cleanup procedures: Wash away with warm water or absorb with sand, cloths or sweeping compound.
- Waste Disposal: Follow Federal, State and Local regulations

Section 7: Handling and Storage

Precautions for safe handling

- Flush with plenty of water for 15 minutes- If irritation persists get medical attention
- Skin Contact: Rinse with water
- Inhalation: Remove to fresh air
- Ingestion: Drink large amounts of water

Safe storage, including any incompatibilities

- Respiratory Protection: None required
- Ventilation: None
- Eye Protection: Safety Glasses

Handling and Storage Precautions: Do not take internally. Store away from heat. Keep from freezing

Section 9: Physical and Chemical Properties

Vapor Pressure at 20C (MM of HG) : Not Applicable

Specific Gravity (WATER=1) : 1.01-1.8

Vapor Density: lighter than air.

Percentage Volatile: 60

Appearance: Clear light amber liquid with light soap scent

Upper/lower flammability or explosive limits Not Applicable

Odor: Various Scents

Vapor pressure: Not Applicable

pH: 9.2-9.9

Relative density: 3855.55g/gallon

Melting point Not Applicable

Freezing point (F): 32

Solubility(ies): Complete

Initial boiling point and boiling range (F): 208-215

Partition coefficient: n-octanol/water

Flash point Not Applicable

Auto-ignition temperature Not Applicable

Evaporation rate: Slower than Ether

Decomposition temperature Not Applicable

Flammability (solid, gas) Not Applicable

Viscosity: Similar to water

Section 10: Stability and Reactivity

- Reactivity
 - Nonreactive
 - Chemical Stability
 - Indication of whether the chemical is stable or unstable under normal ambient temperature and conditions while in Storage and being handled
 - Respiratory Protection: None required
 - Ventilation: None
 - Eye Protection: Safety Glasses
 - Handling and Storage Precautions: Do not take internally. Store away from heat. Keep from freezing
 - Flammability Classification: Non-Flammable
 - Flash Point (F): Not Applicable
 - Extinguishing Medium: This is a water based product
 - Unusual Fire and Explosion Hazards: Not Applicable
 - Fire Fighting Procedures: Not Applicable
 - Description of any stabilizers that may be needed to maintain chemical stability Not Applicable
 - Indication of any safety issues that may arise should the product change in physical appearance Not Applicable
 - Other
 - Indication of the possibility of hazardous reactions, including a statement whether the chemical will react or polymerize, which could release excess pressure or heat, or create other hazardous conditions Not Applicable
 - A description of the conditions under which hazardous reactions may occur Not Applicable
 - List of all conditions that should be avoided (e.g., static discharge, shock, vibrations or environmental conditions that may lead to hazardous conditions) Not Applicable
 - List of all classes of incompatible materials (e.g., classes of chemicals or specific substances) with which the chemical could react to produce a hazardous situation Not Applicable
 - List of any known or anticipated hazardous decomposition products that could be produced because of use, storage or heating (hazardous combustion products should also be included in Section 5 (Fire-Fighting Measures) of the SDS) Not Applicable

Section 11: Toxicological Information

- Exposure Information
 - Eye Contact: Flush with plenty of water for 15 minutes- If irritation persists get medical attention
 - Skin Contact: Rinse with water
 - Inhalation: Remove to fresh air
 - Ingestion: Drink large amounts of water
- Delayed, immediate or chronic effects from short- and long-term exposure Not Applicable
- The numerical measures of toxicity: Nontoxic
- Description of the symptoms
 - Eye Contact: Stinging/Redness
 - Skin Contact: If allergy exists to organic oils or soap may cause rash
- Inhalation: Remove to fresh air
- Ingestion: Could Cause Stomach Upset
- Not known to be Carcinogenic

Section 12: Ecological Information

Data from toxicity tests: Safe and biodegradable
Biodegradable

Section 13 Disposal Considerations

Description of appropriate disposal containers to use Discard in compliance with local ordinances
Recommendations of appropriate disposal methods to employ

- Wash away with warm water or absorb with sand, cloths or sweeping compound.
- Waste Disposal: Follow Federal, State and Local regulations

Section 14: Transport Information

UN number: This is not a regulated hazardous Material for Transportation
UN proper shipping name: Soap, Castile Soap, Coconut oil potassium soap
Transport hazard class(es): Non-hazardous
Packing group number, if applicable, based on the degree of hazard Not Applicable
Environmental hazards (e.g., identify whether it is a marine pollutant according to the International Maritime Dangerous Goods Code (IMDG Code)) Not Applicable
Guidance on transport in bulk (according to Annex II of MARPOL 73/783 and the International Code for the Construction and Equipment of Ships Carrying Dangerous Chemicals in Bulk (International Bulk Chemical Code (IBC Code)) Not Applicable
Any special precautions which an employee should be aware of or needs to comply with, in connection with transport or conveyance either within or outside their premises (indicate when information is not available) Not Applicable

Section 15: Regulatory Information

No regulatory concerns exist

Section 16: Other Information

This is a water based product
Certified to USDA Organic Standards
Patent-Pending Formula
Last Revision :12/29/2017
This product is privately formulated for GOT GREEN? LLC, Please call Eileen Fedyna with any questions or concerns.
